BACKGROUND

Nyota Uhura was born in Kitui Province, Kenya, in the United States of Africa in 2239. As a child, she lived in Mombasa, where her extra-curricular studies including singing, dance and languages. She learned sign language from her deaf cousin. In 2249, when she was a student at the Institute for Advanced Mathematics she and a fellow student were trapped in a fire; the other girl died.

Just after her 16th birthday, in 2255, Uhura took part in a rite of passage re-enactment, killed a robotic lion with a spear. She joined Starfleet Academy in 2257, specialising in communication technology, Duotronic computing and cryptography, w/ a minor in astrogation.

Uhura joined the USS Enterprise in 2262 under Captain Christopher Pike, to whom she was extremely loyal. It took her some time to get used to James Kirk as captain.
